Declaring the Glory of the Triune God among the Chinese People

Toon was born and raised in Malaysia, and Pam was from Taiwan. They met in Louisiana when they came to the States to pursue their dream. Later, they discovered their real and meaningful dream was to serve Him. They were called to fulltime ministry, and they went to Reformed Theological Seminary (RTS), Jackson, MS. In RTS, Toon received his MDiv (1992) and later his Doctor in Ministry (2006); Pam received her MA in Theological Studies (1992) and her graduate study in Marriage and Family Therapy (2006). Pam is currently completing her PhD study in Christian Counseling.

In 1992 Toon was called to serve as assistant pastor/ church planter in the Washington Metropolitan area. Later, Toon became the senior minister of this church, Grace Christian Church (PCA). Two years ago, Toon had several opportunities to travel to East Asia for ministry. Throughout his trips, God opened his eyes to see the crucial needs in building up church leaders in that area. After many months of prayer with family members and church leaders, Toon was certain about God's calling. Toon recently announced his resignation, and he and family will move to Taipei, Taiwan. Toon is called to serve as a staff at China Reformed Theological Seminary, and he will be actively involved in mission work in China. Pam will assist Toon's ministry, and at the same time she will use her counseling training to build up Christian families and do evangelism.
